Safety information

Battery

Incorrect or improper use of the main lithium-ion battery may result to the battery's shortened lifespan, and may cause damage to the device or serious physical injury.

- Do not expose to high temperature or to direct sunlight. To prevent damage, remove the device from its mounting place and store it out of direct sunlight such as in your vehicle's glove compartment.
- Do not try to open the device or battery.
- When storing the device for an extended time, store within the following temperature range: from -4°F to 158°F (from -20°C to 70°C).
- Do not operate the device outside of the following temperature range: from 5°F to 104°F (from -15°C to 40°C).

- Contact your local waste disposal department to dispose of the device/battery in accordance with applicable local laws and regulations.
- Do not use a sharp object to remove the main lithium-ion battery.
- Keep the battery away from children.
- Do not disassemble, puncture, or damage the battery.
- Only use the AC/battery charger that came with your device.
- Only replace the main lithium-ion battery with the correct replacement battery. Using another battery presents a risk of fire or explosion. To purchase a replacement battery, see your ASUS dealer or the ASUS website at www.asus.com.
- Do not attempt to remove the non-replaceable built-in battery (not the main lithium-ion battery).

Notices

Federal Communications Commission Statement

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- This device may not cause harmful interference.
- This device must accept any interference received, including interference that may cause undesired operation.

This equipment has been tested and found to comply with the limits for a class B digital device, pursuant to part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation.

This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment

does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

This product does not contain any user-serviceable parts. Repairs should only be made by an authorized ASUS service center. Unauthorized repairs or modifications could result in permanent damage to equipment and void your warranty and your authority to operate this device under Part 15 regulations.

For body worn operation, this device has been tested and meets the FCC RF exposure guidelines when used with an accessory that contains no metal and that positions the handset a minimum of 1.5cm from the body. The antenna(s) used for this transmitter must not transmit simultaneously with any other antenna or transmitter, except in accordance with FCC multi-transmitter product procedures.

Limited Warranty

This ASUS product is warranted to be free from defects in materials and workmanship under normal use per the terms outlined herein for the term of 1 year starting from the date of retail purchase by the original end-user purchaser (collectively the “Warranty Period”). THIS WARRANTY DOES NOT AFFECT YOUR STATUTORY RIGHTS.

Within the relevant Warranty Period, ASUSTeK Computer, Inc. (“ASUS”) will, at its sole option, either repair or replace any components that fail in normal use. Such repairs or replacement will be made at no charge to the customer for parts or labor, provided that the customer shall be responsible for any transportation cost. A replacement product or part assumes the remaining Warranty Period of the original product or ninety (90) days from the date of replacement or repair, whichever provides longer coverage for you. When a product or part is exchanged, any replacement item becomes your property and the replaced item becomes ASUS property as the case may be.

Exclusions and Limitations

This Limited Warranty applies only to the hardware product manufactured by or for ASUS that can be identified by the ASUS logo affixed to it. Software distributed by ASUS with or as part of the product (including system software) is not covered under this Limited Warranty and is instead covered by the accompanying End User License Agreement.

ASUS warrants that the operation of the product will be uninterrupted or error-free, nor is ASUS responsible for damage arising from failure to follow product instructions. In addition, this warranty does not apply to: (i) cosmetic damage, such as scratches, nicks and dents; (ii) consumable parts, such as batteries, unless product damage has occurred due to a defect in materials or workmanship; (iii) damage caused by use of the product with non ASUS products; (iv) damage caused by accident, abuse, misuse, water, flood, fire, or other acts of nature or external causes; (v) damage caused by service performed by anyone who is not an authorized service provider of ASUS; or (iv) damage to a product that has been modified or altered without the written permission of ASUS.

TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE WARRANTIES AND REMEDIES CONTAINED HEREIN ARE

EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, WHETHER ORAL, WRITTEN, EXPRESS, IMPLIED, OR STATUTORY, INCLUDING, WITHOUT LIMITATION, ANY LIABILITY ARISING UNDER ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. IN NO EVENT SHALL ASUS BE LIABLE FOR ANY DIRECT, SPECIAL, INCIDENTAL, INDIRECT, OR CONSEQUENTIAL DAMAGES, WHETHER RESULTING FROM THE USE, MISUSE, OR INABILITY TO USE THIS PRODUCT OR FROM DEFECTS IN THE PRODUCT OR FROM ANY BREACH OF WARRANTY OR OTHER LEGAL THEORY.

Some states, provinces or countries do not allow the exclusion of incidental or consequential damages, so the above limitations may not apply to you. This warranty gives you specific legal rights, and you may also have other rights that vary by country, state or province. This limited warranty is governed by and construed under the laws of the country in which the product purchase took place. If any term is held to be illegal or unenforceable, the legality or enforceability of the remaining terms shall remain valid and shall not be affected.

ASUS retains the exclusive right to repair, have repaired or replace (with a new or newly-overhauled replacement product) the product

or component parts or offer a full refund of the purchase price at its sole discretion. SUCH REMEDY SHALL BE YOUR SOLE AND EXCLUSIVE REMEDY FOR ANY BREACH OF WARRANTY. When a refund is given, the product for which the refund is provided must be returned to ASUS and becomes ASUS property.

Obtaining Warranty Service

To obtain warranty service go to **www.asus.com** for specific instructions on where and how to return your ASUS product for warranty service if it is still eligible for warranty coverage. ASUS may restrict warranty service to the country in which ASUS or its authorized dealers originally sold the product. An original or copy of the product sales receipt from the original retailer is required to obtain warranty service.
